COURSES STUDY
PUBLIC SCHOOL
TO BE CHANGED

W. J. Hunting, State Superintendent, Confers With the Local Educators

W. J. Hunting, state superintendent of public instruction, left this morning for Carson City after a visit of three days in Tanopah and the surrounding school districts. Mr. Hunting came here for the purpose of conferring with his deputy, Miss Maude Frazier, who also departed this morning for Las Vegas.

While here, Mr. Hunting took up matters regarding the new courses of study that will be provided for the incoming year in the high schools of this state. There will be a few important changes as recommended by the National Educational association, through its committee, as follows: Advanced mathematics will be modified along the lines of general mathematics with algebra and geometry. In history, the course will be changed by shifting from ancient to modern history, the feeling prevailing that the young people should be better versed in later day affairs.

Other changes in the courses of study will be in reference to social sciences which will receive more recognition. The course in civics will be brought to the standpoint of community instead of teaching the vocational courses will be revised and made more definite regarding communities.

Later in the summer there will be a revision of the elementary courses. These modifications in the courses of study will naturally result in the teachers being compelled to do a little studying during the summer months that they may be familiar with conditions as they present themselves in their official capacity.

PAROLE GRANTED TO
ONE NYE COUNTY MAN

At a meeting of the state board of pardons held on Monday, the applications of Sam Jacobs for a parole from the state prison, was acted upon favorably. Jacobs was sent up from the county of Nye upon the charge of offering worthless paper, and in view of the fact that his brother has since paid all outstanding indebtedness, the board of pardons, upon recommendation of the district judge of Nye county, acted favorably upon his petition for clemency.

Trinidad Gusman, serving time for assault with intent to kill, must remain in prison, denial having been made by the board of pardons for his release upon parole.

The application of Tom Fong and F. E. Skinner, both sent up from Nye county, were passed for the present.

NO ACTION TAKEN
BRITISH EMBASSY

(By Associated Press) WASHINGTON, May 10.—British embassy officials, after a final conference with Alexander E. Robertson, British war veteran and suitor of Miss Mary Culbertson, daughter of a Texas senator, declared that action of the embassy on Robertson's charges of kidnapping by private detectives, would amount merely to watching the court proceedings Robertson has instituted.

Radmonovich Convicted of Simple Assault

Guiltily of simple assault was the verdict returned early this morning in the case of the people versus Eli Radmonovich, charged by Bob Dragovich with assault with intent to kill. The case lasted two days in the district court, during which time 25 witnesses were examined, time for the prosecution and 16 for the defense. Sentence was withheld and judgment will be passed upon the defendant Friday afternoon at 2 o'clock. The statutes provide a sentence of not exceeding six months in the county jail, or a fine of not exceeding \$500, or both, and not one year as the unreliable moonshine sheet would have its readers believe.

SLIGHT CHANGE MAY
OCCUR TRAIN SERVICE

There will be a slight change in railroad time tables if the request of the Southern Pacific company is granted, which seems probable in view of the prosperous summer season that is assured for Lake Tahoe. Instead of train leaving Reno at 6:45 o'clock in the evening, it will not depart for the south until 7 o'clock, arriving in Mina about 2:30 a. m. It is not believed this will make much difference touching upon the hour of arrival of the morning train in Tanopah, which is due here at the present time at 6:45 o'clock.

The public service commission of Nevada has issued the following, touching upon the proposed change: "The Public Service Commission of Nevada has received a telegram from J. H. Dyer, General Manager for the Southern Pacific Company, reading as follows:

"To give better service in connection with Lake Tahoe traffic to and from California and Nevada, we contemplate changing schedules so as to give daylight service, leaving San Francisco 7:40, connecting with train 24 to leave Sacramento about 11:10 a. m., Truckee about 6:25 p. m., Reno about 7:45 p. m. Arrive Mina about 2:30 a. m. Probably effective May 28. This will give direct service to passengers leaving Lake Tahoe about 5:15 p. m. for Reno, Washoe, Tanopah and other Nevada points. We assume that for this slight change in train 24 there will be no objection from your commission."

"The commission has replied that the change appears to be desirable, and that it will be permitted unless protests are received."

MORENO IN A REAL
THRILLER AT BUTLER

The attraction at the Butler today is Antonio Moreno, in a picture entitled "Three Sevens." This is not a crook picture, in the accepted sense. It does not flaunt vice and crime. A large portion of the action was taken at the state penitentiary at Florence, Ariz., and was so satisfactory to the governor of the state that many of the convicts took part. A stirring love story, gripping thrills of a refined type, and a glimpse of society life are interwoven in this unusual photoplay. It is a story that shows the side of life with which few persons are familiar. It draws a graphic picture of the convict and psychology by which he lives. It takes the spectator within the prison walls and illustrates what society is doing to bring these men back to an honorable position of service in the world.

Added to the program, a two-reel Sunshine comedy, "Love and War." Tomorrow, Elaine Hammerstein, in "Reckless Youth."
